

CULTURAL DIVERSITY INFORMATION SESSIONS

The ISW Program, along with AMES Australia, is offering Growers the opportunity to participate in a Cultural Diversity Information Session to help better understand CALD workers and their needs.

WHO?

Gippsland growers – from Team Leaders to Senior Management – who have CALD workers on their farm and want to improve their on-farm safety, communication and productivity.

WHAT?

The session will focus on culture, diversity, and multiculturalism in the workplace and how you can be culturally aware, inclusive and foster a good workplace culture. The session will also look at how to effectively manage a culturally diverse team.

WHERE?

Stratford Courthouse, Stratford: Wed, August 2nd from 11am – 2.30pm

Austral Hotel, Korumburra: Thurs, August 3rd from 11am – 2.30pm

A light lunch will be provided at both events.
